x1) saxophone part in C, for the singer's reading only

x2) taking over the melody from the singer (mi) - the word has been omitted from the text, and this is provided only for the understanding of the saxophone player. It is not to be sung, but should be imagined.

x3) ♯ - liten, subtil yttvisk tärning, ca 1/5. (Endast noterad i den yttvisket drivande stämman).  
small rhythmic lingers, ca 1/5
