Phonetic text; less clarity of diction *)
*1) hɔ - like in hoarse
*2) a somewhat sharper tone, enunciation from the front of the mouth, exaggerated
*3) a somewhat coarser tone, more enunciation from the back of the mouth, exaggerated

Använd stor klanglig variation och tydlig bröströst i första och tredje takten. I den fjärde takten är tydlig diktion, nästan 'riggat'.

Den fonetiska texten sjungs med stor klanglig variation, and with a very sharp chest voice. The phonetic text is to be sung with far less clarity of diction, almost silent.
